

# Culinary Institute for Returning Citizens

*Learn a new skillset in 10 weeks!*

This culinary training is for returning citizens released from incarceration within the past 12 months. A fun, engaging, hands-on learning experience, this program will provide you with the skills and support to enter the culinary industry. Get the following industry credentials:

- ServSafe Food Handler
- Food Equipment & Safety Training (FEAST)
- MA Allergen Awareness

## Program Highlights:

- Earn industry credentials and college credit
- Learn from dedicated professional chefs
- Prepare and enjoy meals every class
- Work with a variety of ingredients to create meals from other cultures
- Get creative! Cooking and baking is a great way to create something unique
- Work with other students in a collaborative environment
- Get on track to begin a new career in an industry with flexible schedules
  
- **\$500 Stipend for 30 days of Employment**
  
- **Includes work readiness preparation and post-exit job placement assistance!**
