

Bridges to College Substance Addiction Training

Program Information:

- 19-week job training program
- The courses for the substance addiction assistant program are stackable. Each course counts towards both the Substance Addiction Certificate and Quincy College’s Human Services Associate Degree
- Supplements any degree offering and will enhance a career in the fields of Nursing, Criminal Justice, Healthcare, and more
- Students who complete the certificate meet the education portion for licensing by completing License for Alcohol & Drug Counseling (LADC)

Eligibility:

- Intermediate or higher English skills required
- City of Boston resident
- High school diploma or equivalent required
- All applicants are required to successfully pass assessments in Written English & Reading Comprehension
- Must commit to registering at Quincy College after completing JVS pre-college classes
